PART 2 – SUPPORTING DOCUMENTATION

Adjustments to budget assumptions

There are no changes to the budget assumptions proposed in the adjustments budget.

Adjustments to the budget funding

In terms of Section 18 of the MFMA an annual budget may only be funded from realistic anticipated revenues to be collected, cash-backed accumulated funds from previous year's surpluses and borrowed funds for funding of the capital budget. Furthermore the revenue projections must be realistic taking into account projected revenue for the current year and actual revenue collected in the previous financial year.
