Legislative Framework

The Municipal Budget and Reporting Regulations are designed to achieve a range of objectives, including the local government sphere's ability to deliver basic services by facilitating improved financial sustainability and better medium term planning and policy choices on service delivery.

This report has been prepared in terms of the following framework:

- The Municipal Finance Management Act- No.56 of 2003, Section 71 and
- The Municipal Budget and Reporting Regulations

The objective of these Regulations is to secure sound financial management of the budgeting and reporting practices by establishing uniform norms and standards and other requirements for ensuring transparency, accountability and appropriate lines of responsibility.

Report to the Executive Mayor

In accordance with Section 71(1) of the MFMA, the Municipal Manager is required to submit statement on the status of Makana Municipality's budget reflecting the particulars up until the end of May 2014.

Section 54(1) of the MFMA requires the Mayor of a municipality to take certain actions on the receipt of this report to ensure that the approved budget is implemented in accordance with the projects contained in the SDBIP.

Recommendations

- The content of this report and supporting documentation for May 2014 is noted.
- It be noted that the Directors ensure that the budget is implemented in accordance with the SDBIP projections and in accordance with the approved budget.
- It be noted that any material variances will receive remedial or corrective steps.
