		S2																											
		S3																											

NOTE

S1 = STAGE 1 = RED BLOCK (1 BLOCK)
S2 = STAGE 2 = RED BLOCK + PURPLE BLOCK (2 BLOCKS)
S3 = STAGE 3 = RED BLOCK + PURPLE BLOCK + YELLOW BLOCKS (4 BLOCKS)

PLEASE NOTE THAT FROM 22H00 TO 06H00 , ONLY STAGE 3 IS IMPLEMENTED, NO STAGE 1 AND 2

To interpret it, note that City 1 is in block 1 and City 2 in block 9. Furthermore, note that stage 1 comprises the first column on each day, stage 2 the first 2 columns and stage 3 all four columns. Each block is shed every 2nd day for stage 1, every day for stage 2 and twice a day for stage 3.

By way of example, City 1's (Block 1) Monday schedule will therefore be as follows:

- 1) If stage 1 is declared, it will be shed once, from 06:00 to 08:30
- 2) If stage 2 is declared, it will still be shed once, from 06:00 to 08:30 (stage 2 includes stage 1)
- 3) If stage 3 is declared, it will be shed twice, from 06:00 to 08:30 as well as from 12:00 to 14:30

On a Tuesday, City 's (Block1) schedule is the following:

- 1) If stage 1 is declared, it will not be shed (stage 1 shedding only every 2nd day for a particular block)
- 2) If stage 2 is declared, it will be shed from 12:00 to 14:30
- 3) If stage 3 is declared, it will be shed from 12:00 to 14:30 as well as from 20:00 to 22:30

AREAS INRELATION WITH ESKOM BLOCK SECTION
