ASSISTANCE IN THE COLLECTION OF OUTSTANDING BALANCES

Makana Municipality have awarded a tender to Revenue Consulting (Pty) Ltd to collect the debts owing to the Municipality. Their appointment starts on 1 February 2015 and therefore all queries in regard to your outstanding balances will be handled by their staff from that date.

Revenue Consulting (Pty) Ltd (REVCO) will shortly have their own staff positioned in the municipality and will be dealing with any walk in queries. They will also be working from a call centre outside the Municipal premises.

Council and staff will give REVCO their full co-operation in this matter and ask all consumers and property holders to now get their accounts paid up to date to avoid any punitive actions being taken by the municipality to recover the amounts owing for rates and services.

Should you have any queries in this regard, or to correct your account details please contact REVCO at the call centre on **(043) 721 3075 & (043) 721 1160**, or via email at joycew@revco.co.za
