ACTING MUNICIPAL MANAGER

REQUEST FOR QUOTATIONS

APPOINTMENT OF A SERVICE PROVIDER TO CONDUCT A FEASIBILITY STUDY AND TO COMPILE A BUSINESS PLAN FOR THE DEVELOPMENT OF GREY DAM INTO A REVENUE GENERATING TOURIST AND RECREATIONAL FACILITY

BACKGROUND:

Grey Dam is located adjacent to Makana Resort – a government funded and Makana Municipality owned accommodation and camping facility. The dam is currently used mainly to host occasional swimming events and as a public leisure facility. The municipality intends to develop the space into a revenue generating, self-sustainable tourist and recreational facility.

It is against that backdrop that Makana Municipality invites quotations from experienced and suitably qualified service providers to undertake a feasibility study and to compile a business plan for the purpose of developing Grey Dam into an income generating self-sustainable tourist and recreational facility

TERMS OF REFERENCE:

1. Assess the significance of Grey Dam in terms of Makana Spatial Development Framework
2. Conduct a comprehensive biophysical analysis
3. Assess the viability of the facility as tourism and recreational space linked to Makana Resort, and propose appropriate development option
4. Identify anticipated facility utilisation options with, and the amount of surrounding land required to achieve this. The anticipated usage should consider market based draws locally and outside the Makana area
5. Develop a facility master plan with architectural and operational framework that recommends how Council approach the design, construction and ongoing operation of the facility
6. Conduct an assessment of the national , provincial legislative and policy directives including compliance issues relating to the proposed development/s
7. Compile a feasibility study report with clearly articulated and implementable recommendations.
8. Develop a solid, costed business plan and advise on potential funding sources.

SPECIAL REQUIREMENTS:

- Relevant experience in undertaking similar work – contactable references to be provided.
- The project management personnel must possess a qualification in Project Management, Environmental Management and Town Planning.

EVALUATION OF BIDS:

THIS IS A TWO ENVELOP SYSTEM EVALUATED FIRST ON FUNCTIONALITY AND THEN ON PRICE. THE MINIMUM FUNCTIONALITY SCORING IS 60 POINTS.
