Purpose

The purpose of this item is to submit a Sec 52 report for the 3rd quarter ending March 2017 to the Council.

Legislative Framework

The Municipal Budget and Reporting Regulations (MBRR) are designed to achieve a range of objectives, including improving the local government sphere's ability to deliver basic services by facilitating improved financial sustainability and better medium term planning and policy choices on services delivery

This report has been prepared in terms of the following legislative framework:

- the Municipal Finance Management Act – No. 56 of 2003, Sections 71 & 52, and
- the Municipal Budget and Reporting Regulations

The MBRR highlights the format of the monthly budget statements.

“the monthly budget statement of a Municipality must be in the format specified in Schedule C and include all the required tables, charts and explanatory information, taking into account any guidelines issued by the Minister in terms of section 168(1) of the Act.”

The objective of these Regulations is to secure sound and sustainable management of the budgeting and reporting practices of Municipalities by establishing uniform norms and standards and other requirements for ensuring transparency, accountability and appropriate lines of responsibility in the budgeting and reporting process and other relevant matters as required by the Act.

BACKGROUND AND REASONING

The submission of this report forms part of the general responsibilities of the Mayor of a Municipality, and is intended to inform and enable the council to fulfil its oversight responsibility.

- (a) To priorities and accelerate spending on the overall capital budget
- (b) To utilize the year to date unspent maintenance budget to address quick wins service delivery issues in the community, identified during the budget & IDP participation meetings.
