REQUEST FOR QUOTATION

MBB Consulting Engineers (EC), (MBB), has been appointed by the Makana Municipality as the Implementing Agent for the refurbishment of the Makana Municipality's water reticulation network in Grahamstown and hereby invites experienced and registered local building companies to bid for appointment to construct 3MI reservoir foundations under MBB's supervision. The appointed contractor will provide all the necessary labour, materials, plant & equipment and construct the foundations in accordance with the provided drawings.

To be eligible for consideration for appointment the companies should have the following:

1. Must be registered as a company with a CIDB grade of **3 GB** or higher.
2. Have a valid Tax Clearance Certificate.
3. Comply with all the relevant labour legislation and regulations (UIF, Workmen's Compensation, etc.). Comply with health and safety legislation and regulations (relevant PPEs, signage, H&S Plan, etc.). Proof to be provided prior to appointment.
4. Proof of residence within Makana Municipal area.
5. Have a minimum of 5 years' experience in earthworks and concrete works construction.
6. Own or provide all requisite construction plant and equipment.
7. Have in their employ suitably qualified and experienced personnel to successful complete the works.

The bidders must price the attached Bill of Quantities. Rates to include for the necessary tests, e.g., compaction and concrete cube tests. All work to be completed by **28th February 2019**.

A compulsory site briefing will be held on **20th November 2018 at 10h00**. Prospective bidders to assemble behind the SPCA premises in the Grahamstown Industrial Area.

The bids and the documentation must be hand delivered to the following address by **11am on Wednesday 28th November 2018** marked for the attention of:

Mr Pravesh Nosib
